

Safeguarding Prayer

Diocese of Broken Bay

God of Protection,

Guide us in our leadership, so that all may be safe. Strengthen us in our determination, that we may be ever attentive to the needs of the vulnerable.

Accompany us, so we may be responsive to our companions on the way. Help us to acknowledge the depth of pain and hurt that has been experienced by many in our church.

By your grace and love, and united by the Holy Spirit, the Comforter, and with renewed resolve, may we continue to rebuild fragmented relationships, restore faith in our communities, and sanctify the dignity of each person.

Mary, Star of the Sea, pray for us. Saint Joseph, pray for us. Saint Mary of the Cross MacKillop, pray for us.
